Horse

Teens - we are looking for teens who would be interested in being a junior leader for the Horse Committee. If you are interested, please submit a letter to the 4-H office by September 8th stating your desire to become part of the Horse Committee.

Adults - we are also looking for adults to join the Horse Committee. We have a few committee members whose terms are complete and we need to replace their positions. If you are interested in becoming a part of this committee, please submit a letter of interest to the 4-H office by September 8th.

September 8th - Stall clean at 6:00. This will count as one of your clean up days and possibly a clinic for the new 4-H year. For each clinic we hold at the Fairgrounds, we incur expenses that add to our obligation to the Fairgrounds. Come help us clean stalls and pay off some of our bill to the Fairgrounds. Call Shannon at 388-0886 to let her know you will be there.

The next horse committee meeting is Tuesday, September 9, 2008 at 6:30 at the Kountry Korner Café.

Photography

Hi photography members! I've been thinking about our upcoming 4-H year and have decided to change things a little for the photography program. I'd like to only have 2-3 meetings. A fall, a winter/spring and maybe a night sky meeting. For fall, pinhole cameras and fall leaf photography is on the agenda. I would love to hear any ideas you might have for the coming year. I would like to know what days are best for you to meet and what you would like to do at meetings. What do you want to photograph? What do you want to learn? Let me know. I hope to put together a fun year!! Thanks, Kathy 581-8763 or email dokainc@bresnan.net

4-H Small Animals Meeting – (submitted by Brenda Townsend)

On Monday, October 13th at 6:30 PM at a location to be determined later, the small animal projects would like to hold a meeting to show all interested members what these projects are all about. Representatives from the poultry, rabbit, pocket pets, pigeons and cat projects will be there to answer questions and give a short presentation. There will be representatives from the poultry, rabbit, pocket pets, pigeons and cat project available to answer questions and help you get started. Each project will do a quick talk on where to get your animal and basic housing requirements. Follow-up meetings to be held monthly will cover topics such as feed, breeds of a species, quality care and showing the animals. A mentoring system will also be established, with older members paired up with newer, younger members to answer any questions or provide assistance as needed.
